

P&L LEADERSHIP ACCELERATOR PROGRAM

PARTICIPANT LOOKBOOK 2024

Nadine Augusta

Chief Diversity, Equity & Inclusion Officer

As Chief Diversity, Equity & Inclusion Officer at Cushman & Wakefield, Nadine Augusta drives global commitment to diversity, equity and inclusion (DEI) as a firmwide priority. This includes creating an environment that offers equitable and fair growth opportunities for all employees and the businesses with which Cushman & Wakefield works, while ensuring the firm brings diverse thought and expertise to its clients. Nadine takes a holistic approach to DEI, with a focus on workforce, workplace and marketplace, especially in the areas of recruiting, talent development and supplier diversity.

Nadine has more than 20 years of experience in financial services, with key positions in management consulting, project management, sales and trading, and diversity and inclusion. Prior to assuming her current position, she was Americas Head of Diversity & Inclusion at Goldman Sachs, where she led talent engagement, equity and inclusion efforts. Before that, Nadine worked at the Depository Trust & Clearing Corporation (DTCC) as the Global Head of Diversity & Inclusion and Corporate Social Responsibility, and held various leadership positions at Bank of America, including Senior Vice President, Global Diversity & Inclusion. Notably, she was a member of the U.S. Trust and Merrill Lynch merger integration teams, contributing to the wealth management pre-merger assessment and integration strategy and leading the Global Markets technology deployment testing strategies. Nadine has also worked at several leading institutions, including Credit Suisse, BearingPoint LLC/KPMG Consulting LLC, and Pershing LLC DTCC.

Nadine resides in New York and is a member of the Board of Trustees for Brooklyn LAB Charter School, has twice received the President's Volunteer Service Award and was a recipient of the "Black Achiever in Industry" award from the YMCA of Greater New York.

Anira Bonilla has been at Lippe Taylor Group for almost 8 years and has developed her career at the agency. She is currently the Finance Director and oversees all budgets and financial operations at agency. In her earlier years, she worked on accounts payable, worked on AR/client invoicing and manage about \$10million worth of revenue. She reports directly to the CFO and is second in command. She now oversees \$60 million in revenue, manages 2 sectors of her department(AP & AR). She has mastered managing audits, cash flow, AP, AR, budget reconciliations and expense analysis. She is excited to learn more about the P&L and everything this course has to offer!

Cheyne Charles

Production Manager

Aptar 

Cheyne Charles is currently the production manager for fine mist and lotion pumps at Aptar. She possesses a proven track record of optimizing production processes, driving efficiency, and achieving unparalleled quality standards. She was previously the Quality Manager at Aptar's Cary Molding Center.

Prior to Aptar, Cheyne was the Regional Quality Manager for Freudenberg Household Products, responsible for injection molding and assembly quality of floor cleaning products. The responsibility for quality covered the US, Mexico and Canada. Prior to becoming the Regional Quality Manager at FHP, Cheyne was a process engineer responsible for updating existing equipment and processes as well as developing new assembly equipment.

Cheyne has over 25 years of manufacturing experience holding positions in both engineering and quality across many different industries. Her experience includes automotive (glass, injection molding and assembly) consumer products (cookware, bakeware and cutlery) and personal care (filling and package assembly). This experience has led her to many locations in the Mid-West including Indiana, Ohio and Illinois.

Cheyne has a Bachelor of Science in Manufacturing and Electronics Engineering Technology from Central Michigan University.

Tashna-Loy Donaldson

Director of Operations

With an exceptional 24-year journey in commercial real estate, Tashna-Loy stands out as a mastermind of operational excellence. Her tenure at CBRE, Inc., the world's premier real estate services firm, showcases her unparalleled skill in transforming processes and policies to maximize client profitability and retention. Tashna-Loy thrives on forging value-driven partnerships, leading to her reputation as a catalyst for growth and efficiency. As the Director of Operations within CBRE's Property Management division, Tashna-Loy's strategic prowess shines across Canada, Latin America, and key regions in the United States. Managing an extensive portfolio of over 200 million square feet, she not only ensures fiduciary diligence but also innovates through compliance auditing and business skill training. Her standout achievement includes seamlessly integrating nearly 300 million square feet of new property into the organization, a testament to her strategic acumen. Tashna-Loy's influence extends globally with her pivotal role as an operational consultant in the development of the third tallest building in the world, Shanghai Tower, adding a landmark achievement to her illustrious career.

Her passion for diversity, equity, and inclusion radiates through her leadership roles. As the International Chair of CBRE's Black Excellence group and an executive board member of the Women's Networking Group, she empowers over 10,000 women worldwide. Tashna-Loy's commitment to nurturing future leaders is reflected in her partnerships with the Thurgood Marshall College Fund and Project Destined, shaping the next generation of business leaders. Recognized as the 2023 Diversity Champion by GlobeSt.com, she is a beacon of inspirational leadership.

Tashna-Loy's dedication extends beyond her professional realm. A Bradley University alumna, with a degree in International Business, she has significantly contributed to the Black Alumni Association and passionately participates in Alpha Kappa Alpha Sorority's community initiatives. Her Chicago community also benefits from her active involvement in various local organizations.

Originally from Kingston, Jamaica, and a true adventurer at heart, Tashna-Loy's quest to explore the world has taken her to over 45 countries. With Antarctica in her sights, she is close to completing her global journey. At home in Chicago, she enjoys life with her family and friends, while being a devoted dog mom to her Maltese, Sir Lawrence.

Tashna-Loy's story is more than a career; it's a legacy of leadership, diversity, and global exploration.

Sherita Lee is the Director, US Vaccine Operations and Strategy for the US Vaccine Business Unit. She held previous roles as a Biologist in Vaccine Technology and Engineering, Specialty Sales Representative, Executive Professional Development Trainer, Medical Group Account Manager, Customer Team Leader in the Southeast, Strategic Alliance Manager in Strategy & Commercial Model and Innovation, Launch Planner in Global Oncology, and Director, Global Talent & Leadership. Sherita has several agile certifications (Scrum and Product Owner) which supported the successful launch of the inaugural Agile Digital Team for US Oncology. Angie Mendenhall is a Vice President of Technology for NFP, a global company that provides property and casualty brokerage, benefits consulting, wealth management, and retirement plan advice with revenues exceeding \$3B and over 8,000 employees. Angie has increasingly expanded her leadership footprint over the past 15 years in implementing business systems, hiring, and building highly effective teams while coaching emerging leaders. She specializes in business operations technologies, establishing global support teams and data-driven efficiency initiatives. Angie firmly believes in leading by example, creating a welcoming environment for learning and collaboration for all employees while consistently meeting and/or exceeding company goals.

Angie Mendenhall

Vice President, Technology

Linda Morales has over 20 years experience at Southern California Edison, one of the nation's largest electric utilities. She has a variety of experience – including air & climate policy, electrification customer programs, billing operations, regulatory case management, ethics & compliance, contract settlements, energy procurement, and wholesale energy market transactions. Linda also has extensive experience in project management, strategy and goal planning, policy advocacy, external engagement, ensuring compliance, and working with various state agencies. She holds a Bachelor's Degree in Business from San Diego State University and an MBA from the University of La Verne.

She has a passion for leading, motivating and influencing teams to higher performance. She has a strong leadership philosophy that is focused on: (1) establishing organization and structure with a clear vision; (2) emphasizing the importance of regulatory and compliance in the energy industry; (3) providing service excellence; (4) having a growth mindset; and (5) fostering a values-oriented DNA in everything we pursue. Linda takes pride in cultivating a safe working environment and inspiring trust. She enjoys spending time with her husband and two teenage daughters, watching sports, shopping, going to the movies, and hanging out with her family and friends.

Linda Morales
